WE CONNECT THE DOTS

By interlinking research and innovation across Africa, Europe, and the Middle East to unlock Africa's true potential.

Leveraging our international network and local expertise, we untangle the complexities within Africa. We identify, adapt, and deploy the most suitable technologies, **fostering knowledge transfer between mature and emerging markets.**

We have offices in: Namibia, Nigeria, Italy and UAE

We take pride in our diverse and multicultural team, consistently leveraging new opportunities for growth and continuous learning.

We are partners of several EC funded Projects

We are experienced in
Horizon Europe and Driving
Urban Transformation (DUT)
projects.
